

SW Open Water Review 2022

Regional Championships

The South West Championship were held at Lake 86 in the Cotswold Water Park nr Cirencester on July 2nd. The event was held in conjunction with the Midlands (East & West) as water time is becoming increasingly difficult for a single region to secure at reasonable cost for this type of event, with London/East regions also running a joint event this year.

The day was mostly overcast, but warm however the water temperature was recorded at 19.2°C at the start of the day so the races became wetsuit optional.

The results from the day are summarised in the table below.

National Age Group Championships

The NAGs were held at Thrybergh Lake nr Rotherham on Wednesday August 10th where high temperatures awaited the 30 entrants from the South West Region, making the swims definitely non-wetsuit.

The region had two winners this year – Emily Forwood (Mount Kelly, Girls 17/18yo 5k) and Kaden Frampton (Millfield, Boys 12yo 2k). Kaden overturned the result from the regional event to pip Tigersharks Dominik Bartoletti by a mere 0.007 seconds at the finish board – they don't get much tighter than that, even at elite level.

This is a fantastic result as it is several years since we have had National Champions and/or podiums from the region and our congratulations go to all three swimmers.

The results from the day are summarised in the table below.

Emily Forwood (centre, Mount Kelly), Winner of the Girls 17/18yo 5k Championship

Kaden Frampton (centre, Millfield), Winner and Dominik Bartoletti (right, Tigersharks), 2nd place in the Boys 12yo 2k Championship

European Masters Championships

Further afield, the region's Masters were in action in the European Masters Championships in Rome where the somewhat challenging sea conditions encountered for the Elite 25k had settled down to warm (26°C water temp) and calm days.

There was success with a Bronze for Jessica Wooddisse (Stroud Masters, F 45-49).

The regions other swimmers were John Wood (Bristol Henleaze, M 35-39, 16th), Paul Hatton (Caradon, M 50-54, 10th), Peter Stephens (Caradon, M 75-79, 5th), Sean Kinsey (Stroud Masters, M55-59, 5th) and Mark Partridge (Stroud Masters, M55-59, 35th) – Mark (left) and Sean pictured below.

GB Masters Champs

The GB Masters Champs is the last race in the season and an opportunity for our regions veteran competitors to shine. The event was held at Llyn Tegid (Lake Bala) in North Wales on September 10th and three of the regions Masters swam, each winning their respective age-group.

- Kerry Rutherford, Swindon ASC, W 18-24
- Sean Kinsey, Stroud Masters, M 55-59
- Tony Cherrington, Gloucester Masters, M 80-84

South West Open Water Results 2022
