

Masters & Senior Age Group Regional Records

1. ASA Laws and ASA Technical Rules as applied to English Records shall apply with the exception of the following:
2. Separate lists of Masters individual swimming records for both long and short course shall be maintained (incorporating the 18-24 age group and all masters groups from 25-29 and upwards). To claim a record a swimmer must have reached the age of 18 years by the day of the swim, otherwise age as at 31 December shall apply. (*Note: Converted short course times will not be accepted for Long Course Records*)
3. To claim a Masters Record the swimmer must be competing in a recognised Masters competition. The Technical Masters Swimming Committee will rule in defining a Masters competition in the event of any disputes.
4. To claim a record for an individual event the swimmer must be an active member of a club affiliated to the Region and must be swimming in the name of that Club.
5. Two Timekeepers shall be sufficient when using hand held watches.
6. ASA Technical Rules shall be applied to decide the official time.
7. All records must be applied for on the official form obtainable from the records officer or downloaded from the Web Site. Application shall be made within 28 days of the performance.
8. Applications are not necessary for records, set at World, European, British Swimming, Swim England National or South West Region Masters events, but a reminder may avoid a record being overlooked.
9. An application for a record set at any other Masters event should be supported by a copy of the result sheet or reference to the appropriate web site where the results are published and can be confirmed.
10. All records require ratification by the Masters Records Officer.
11. Details of new records shall be published at the first suitable opportunity.
