Roger Downing Swim England South West President 2021

Roger was born and bred in Newlyn West Cornwall. Newlyn is a big fishing port and his father was a fisherman and his mother worked in the local Penzance laundry. He was introduced to swimming in the harbours and beaches of the far west and Penzance Jubilee outdoor swimming pool. As a young boy many hours were spent either messing around in Newlyn harbour or cycling with his mates from Newlyn to Penzance to spend all day at the Jubilee swimming pool on the sea front.

Roger loved all sports and at school competed at whatever sport was allowed. The secondary school he attended, the Humphry Davy Grammar School in Penzance was renowned for its rugby teams and he naturally joined the local colts and then Penzance and Newlyn RFC.

Roger played senior rugby for Penzance and Newlyn and after moving for his job, would return home from St Austell and Plymouth, to play for his home team. When he relocated for work to Yeovil he introduced the local rugby teams to the niceties of Cornish rugby!! Unfortunately when meeting his team mates in Somerset he had to confess to being suspended by the RFU following a local derby between the Pirates and St.Ives when a guest referee did not seem to understand Cornish rules.

In those days Penzance and Newlyn played against many of the top English and Welsh sides before the game turned professional. Rugby is still in his blood and of course he supports the Cornish Pirates who are now at a high level in the professional game.

During his career with the Halifax Building Society and then Halifax PLC, Roger was honoured by the professional institute by being made a Fellow and being President of Devon and Exeter Building Societies Institute. He settled in Torquay with his wife Helen and they were blessed with a son Mark. Mark was encouraged to learn to swim at an early age and although enjoying a lot of sports he focussed on swimming and joined Torquay Leander. Mark excelled at Breaststroke and was able to swim at the National Age Group Competitions.

Volunteering is in his DNA as he has been president of a local Rotary club twice in the last few years; is part of the committee who help manage the local swimming pool; is involved with the local churches and has been a blood donor for 30+ years and a few years ago was asked to become a platelet and plasma donor. Roger has donated over 300 pints.

As a willing parent and volunteer, he was soon helping on poolside from 1999 and because he enjoyed the competitive element, embarked on IOS courses for teacher level 1 and 2 and then qualified as a club coach in 2005. As well as helping Torquay Leander swimming Club he helped coach the Devon squads, and coached many swimmers to National and Regional competition success.

Roger also qualified as a swimming official and has been a Level 2 judge for many years and still helps at the Devon Championships and of course local competitions. His administrative skills also took him along the path from Torquay Leander committee to Devon Management, Devon President in 2012 and Regional Management Board and has been Regional Vice Chairman for a few years.

In accordance with other swimsuit rules British Swimming will conform to the intention of the rule. We do not provide interpretation of FINA rules – only FINA as the governing body can interpret their own rules.

However, to provide guidance, coverage of the shoulder. An informed view is that to ensure complete coverage of the shoulder the wetsuit must include a sleeve, as a minimum polo or 'T' shirt length covering the full shoulder and upper arm in order to maintain shoulder cover during swimming, full arm to wrist has been suggested although elbows do not feature in the rule, whereas coverage of knees as a mid-limb joint in respect of leg length of a wetsuit is. As in all Open Water events held in the home counties of England Scotland and Wales the Chief Referee will have responsibility for the overall management of the rules."
