

# MILLFIELD HOSTS THE SOUTH WEST SPORTS COACHING CONFERENCE

SATURDAY 2 SEPTEMBER 2023, 10AM - 5PM

Millfield School are pleased to host their inaugural sports coaching conference in September 2023.

The one-day event will bring together coaches and teachers from the South West region and beyond, providing an opportunity to connect the various sporting communities within youth sport in education and grassroots clubs. A series of theory and practical workshops as well as keynote speakers will provide insight and discussion across a range of topics and themes in coach development, sports coaching and coaching in an education environment.

The emphasis of the conference is the development of the practitioner. The conference will provide opportunities to connect with colleagues, to consider content and its impact on coaching, allowing attendees to create new coaching behaviours and practice in the future.

In addition to attending the conference, UK Coaching will be providing a year's membership to their Coach Development platform - a dedicated hub for coaches, allowing coaches to connect, learn, challenge and inspire, and enabling coaching to be elevated.

The day will begin with a keynote speaker, followed by three workshops that can be chosen from a variety of sessions and will be rounded off by a final keynote address. Places are limited so early booking is recommended.
