

Swim England South West Region Championships 2020

Summer Championships Licensed at Level 1

Below are the details of 2020 Championships, full details of the 2020 Winter Championships event will be circulated later.

Qualifying times and Para event details will be as a separate documents.

Important notes:

As there are consideration times for these championships please do not payment until you have heard if the swimmers have been accepted, we will endeavour to get this done by the weekend following the closing date.

Swimmers who have a consideration time are not considered as entered until their entry has been confirmed back to the club.

When sending entries we only require the entry file, a copy of page 6 below and a mention of which club you are from as in all correspondence to me, if you take over as competition secretary of your club please make this clear so that you can be added to the distribution list. If you are paying by BACS please make this clear. I have also attached a form for your Treasurer to use if you are passing it on.

When emailing us please include the name of the swimming club you are representing.

Entry procedure:

There are Sportsystems entry files for all events and these must be used for club entries, individual entries will only be accepted when there is one entry per club and these should be made by emailing Swim England number and events to be entered to swentries@swimming.org

Closing date:

We have moved this to 11.00pm on Wednesday 15th April 2020 for all 3 weekends, this will allow times done at designated meets on the Easter weekend before to be sent to Swim England Rankings and hopefully appear on the swimmers file and you can make their entries, we will NOT be accepting updated times from those meets, so do not send more than 1 entry file. If you do not have swimmers competing on the 11th/12th April please let us have your entries as early as possible.
