

Officials / Trainee Officials

Thank you for supporting SWR / ESSA events in 2019. Your continued support is required to ensure standards are maintained for the remainder of the year.

The SWR is now using SwimMeet software to sign up for **all** events. This will enable you to volunteer for events, amend your availability and reduce volunteers administrative time pre / post event. Details of the Officials whom expressed their availability at the beginning of the year have been uploaded, please check and amend if applicable.

Please follow the link <https://www.swim-meet.com/Availability/?m=253>
