No payment is to be made until the entries are confirmed and we will endeavour to supply this information in plenty of time for the payments to be made prior to the event commencing. There are Hytek entry files for all events, and these must be used for club entries, however individual entries will be accepted when there is only one entry per club. These should be made by emailing SE number and events to be entered to [swentries@swimming.org](mailto:swentries@swimming.org)

### Closing Date:

The closing date and time will be midnight on Wednesday 8<sup>th</sup> April 2026 for all three weekends, this will allow times achieved at designated meets on the weekend of 4<sup>th</sup> and 5<sup>th</sup> April 2026 to be sent to Rankings and hopefully appear on the swimmers file. We will not be accepting updated times from those meets if entries had already been submitted, do not send more than one entry file.

### Data Protection Statement:

Entries will be administered by the promoter of the event employed by the Region and will be held on a computer solely for the purposes of this competition and consent, as required by the Data Protection Act 2018, to the holding of personal information on computer will be deemed to have been given by the submission of the entry. For this event we will be using the Swim England system for Coaches and Team Managers to apply for their poolside passes. We will be using the Swim England System for Accreditation which will make the process much easier for clubs and the Region when processing. This is the same system that is used for many national events and involves applying through the website and printing out your pass that you will take along to the event.

1. Log into [www.swimmingresults.org](http://www.swimmingresults.org)
2. On the 'Members' tab click on 'Swim England Member Options. This will bring up a log in screen which you will need your membership number and password for (details on how to make an account or reset your password if forgotten is available on this page).
3. Once you are logged in you should have a number of options listed. Click on the link for 'Purchase accreditation for events here'. Please note you must ensure that you have a headshot uploaded and that all your qualifications, Safeguarding and DBS information is in date on your clubs OMS system.
4. After clicking the link the page will show a number of events from around the Country, you will need to scroll to find 'South West LC Summer Championships'.
5. All the fields for this event will need to show as pass in a green box for you to be able to purchase accreditation. If any of the boxes are red you will need to go back to your club and make sure that all of the information is up to date.
6. Once on this page there is a link for 'purchase accreditation' click on that and follow the prompts.
7. After payment it will give you the option to print your accreditation, please print this and bring along to the event. We will be handing out lanyards and pouches at the event for you to add this to. Without the pass you will not be admitted to the event.
